The Bankrupt Act,

We have been requested to publish the Bankrupt Law. This is impossible, it makes a respectable volume. In order, however, that our readers may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its benefits. But first of all, we advise our friends not to determine hastily what they will do, until they have had the counsel of a responsible and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to benefit honest, but unfortunate debtors, whose just liabilities are greater than they can pay.

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of all their debts and liabilities, of every kind and description whatever, and also an inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "forms" prescribed in the "General Order," of the Supreme Court of the United States. These schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U. S. Commissioner, must accompany the petition, and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subterfuge, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set of schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the Clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the 1st dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to compel the Bankrupt to answer questions concerning the disposal of property by him acquired subsequent to filing a petition in Bankruptcy. In other words the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a new leaf is turned over. On this point decisions have been variant. The safe rule appears to be, that the applicant in Bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made from investment or credit, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from adjudication, for the discharge in bankruptcy, and in case no assets come into the hands of the assignee, or no debts be proved against his estate, at any time after the expiration of sixty days.

10. As soon as an Assignee is elected, or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz: "Household and kitchen furniture and other necessaries not exceeding in value ($500) five hundred dollars; also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process by the laws of the State in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1864." A safe Counsellor suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupt in this State can have allotted to him free from the operation of the Act, exceeding $700 besides the wearing apparel of himself and family. Bankrupts in this State are not entitled to homesteads under this Act.

11. It is the duty of the assignee, within twenty days after the assignment to him is made, to allot to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 16 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX, that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application, an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets the fees of the Messenger will be paid by him before any dividend is made among creditors.

13. Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of malfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes, as to the time to make application in bankruptcy. Some have supposed that no debtor will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay, in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

EDUCATIONAL.

Kittrell's Springs Female College.

GRANVILLE COUNTY, N. C.

THE NEXT SESSION of this Institution will open the second Wednesday in February, 1868.

The location is unsurpassed for health and accessibility.

During the past session, in a family of nearly two hundred, there has scarcely been a case of sickness. The health of many invalid young ladies has been thoroughly restored by the celebrated mineral water found here, and they have proceeded their studies with entire success.

We are immediately on the Raleigh & Gaston Railroad, within less than a half mile of Kittrell's Depot, and in telegraphic communication with all parts of the country.

Every facility is afforded for the most thorough and extensive education.

The Faculty is composed of five male Professors and seven lady Teachers.

Everything is new. Our *apparatus, instruments*, including pianos, Organ, Reed and Guitar are of the finest quality.

Special attention paid to thoroughness in the English Course.

TERMS MODERATE AND ACCOMMODATING.

The young ladies all worship in the College Chapel, and hence no extra clothing is required. Millinery is in no demand at Kittrell's. Parents tell us that their daughters cost them less here, in this respect, than even at home. Taking into consideration the items of dress and medical attendance, there is no cheaper school in the South. Besides, we are determined to accommodate our patrons as far as we can as to time of payment, and to put female education within the reach of the people, in the present depressed condition of the country. OUR DAUGHTERS MUST BE EDUCATED.

MISCEGENATION.

No man of principle or virtue feels otherwise than horror stricken at the idea of amalgamation and miscegenation between the white and black races. Even *decent* Radicals profess now to feel a horror at such an idea. Yet the Radical policy in the State will as surely effect it, among the debased and deluded whites, who favor Radicalism, as that the sun shines.

The more respectable Radicals scout the idea of amalgamation, as they did, at first, negro suffrage, negro juries and negro office holding; but as men learn to eat, and then to desire, opium, or any other poison, at which they at first revolted, so will the Radicals swallow anything necessary to office and partizan success. We expect them, in less than two years, if they prevail, to *advocate*, both by precept and example, the intermarriage of whites and blacks.

The leading negroes in the State have constantly declared, but no one believes them, that they are opposed to *social* equality, yet their votes and speeches in the so-called Convention show plainly that this is their aim. They are at heart advocates of miscegenation. Nothing but the law has heretofore prevented black men from seeking intermarriage with white women, and many of them, it is known, have, in spite of the law, taken up with mean white women. White men, who live in criminal intercourse with black or colored women, are directly promoting miscegenation. Men who continue to act thus are seriously prejudicing the cause of the Southern whites in the North. Since the war, the impression is that this crime has greatly decreased among the whites, but it is evident that intermarriages between blacks and whites have largely increased.

The action of the so-called Convention tends directly to the increase of miscegenation. Under its operation, the whites will gradually become Africanized, (of course, we mean low-down whites.) Respectable people will leave the country, in order to avoid the demoralization which must prevail under Radical rule.

The majority of the Radical State Convention, in session in this City, have shown themselves to be unworthy representatives of the white race,—to be the degraded, bought-up minions of power, and the promoters of negrodom, and have sunk so low, in their own estimation and that of the public, that they have succumbed to the fanaticism of the times and have broken down all the barriers which God, and nature, and sound morals, and the peace of society, and human progress, had reared between the negro and the white man. Should the abominable *thing* they call a Constitution be forced upon the white people of the State, it will not only establish the civil and political equality of the blacks with the whites, but establish and force upon us, as far as human law can do it, the *social* equality of the blacks and miscegenation.

That Constitution declares the equality of the rights of all men, against all observation and all experience, and against the practice of this government, heretofore, and of all civilized nations. It *allows* the militia of the State to be composed of blacks and whites alike. It *allows* to the negro equal suffrage and equal access to all the offices of State and of the country. It *allows* the free ingress of negroes and whites alike to the University and the public schools, and taxes the labor, and skill and property of every white man in the State to educate the negro children. It *allows white* children to be apprenticed to *negro* masters. It *allows* negroes to be the Executors and Administrators of white men and the Guardians of white children. And all this has been done, not by the Yankees or Northern men in the Convention, nor by the negroes in the Convention, (they were unable to do it, of themselves,) but by the low down, degraded and drivelling majority of native white men of the State, who compose that Convention.—Such men are a disgrace to their race. Their names should be engraven upon the memories of the white people of North Carolina and their children forever, to be execrated and condemned by every lover of the white race and every friend of sound morals and good society.

ADDITIONAL CANVASSERS.

The following additional Canvassers are hereby announced, viz:

Person—S C Barnett, Horace Bumpass, Dr Wm Merritt, Jno W Cunningham, Jas Holeman.

Greene—Dr J D Spicer, D W Edwards, W A Darden, jr, Theophilus Edwards, J L Jackson.

Davie—J M Clement, R F Johnston, Dr De Witt Clement, P H Cain, C W Bessent.

Edgecombe—T W Battle, Fred Phillips, Wm Norfleet, Dossey Battle, R H Bunn, John L Bridgers, L D Pender, John A Vines, Gen W G Lewis, R E Macnair, Jas F Jenkins and Jas R Thigpen.

Transylvania—Dr J M Jones, Willie B Duckworth, Lieut John H Paxton, (late U S A.) H C Gillespie, Dr W Brooks, J J Shipman.

THE X. P. G. failed to meet his appointment at Louisburg, on Saturday. He took *cold* from the chilling reception he met in the East. He was represented, we learn, by the Tourgee, of Ohio, Dawson, of Illinois, and greasy Sam Watts, of Africa.

PRACTICAL SOCIAL EQUALITY—THE MASK OFF!

We have heretofore charged that the Radical party in North Carolina, through its representatives in the Mongrel Convention, had refused to prohibit intermarriage between whites and negroes. This has been shamelessly denied, in the face of positive evidence to the contrary, as furnished by the journals of that body. If, however, there was any ground for the denial before, there is none now. On Saturday night last, the black and cloven foot was shown unmistakably, and we now charge, and will prove, that the Radical Convention has not only refused to prohibit, BUT HAS ACTUALLY AND DIRECTLY LICENSED, intermarriage between the races!

On Saturday night, as stated, Hood, (negro,) from Cumberland, offered an ordinance *legalizing all marriages* which had taken place under military license. It was well known that Hood, himself, who is a preacher, had married a depraved white man, in the town of Fayetteville, to a negro woman, and that military sanction had been given to the ceremony. Dr. Ellis, of Catawba, promptly moved an amendment, excepting marriages between whites and blacks,—stating that he knew of some such and the Courts of the State had pronounced them unlawful. Mr. Turner, of Harnett, (Republican,) asked Hood if *he* did not know of some such, but received no answer. Hood, knowing that *he had* married a white man to a negro woman, shut off debate by calling the previous question. Dr. Mercer, of Person, called for the yeas and nays, *but they were refused*, the AMENDMENT WAS VOTED down, and HOOD'S ORDINANCE WAS ADOPTED. So that, so far as this infamous Convention can make it so, the bill LEGALIZING marriage between whites and negroes is the law of North Carolina!

Shame! SHAME! HAS we come to this? Infamy should cover forever these hybrid apostates to their race,—these miscreants, who would prostitute their own color, and debase all the purity of the marital relation, for the sake of pandering to the bestial and depraved negro for his vote! If the white men of North Carolina, and the more reputable and decent of the negroes themselves, do not rise in their indignation to put this thing under foot, then farewell to virtue, chastity, society, morals, and everything else. Will the Radical candidate for Governor dare to stand up, before any audience in North Carolina, and advocate this horrible action of *his* Convention—*for* it belongs to him?

P. S. It will be observed that the mongrels, on yesterday, without calling the yeas and nays, adopted a *brutum fulmen* that it was the sense of the body that intermarriages, &c., were improper, but immediately thereafter—the yeas and nays being called,—*refused to reconsider the vote on Hood's ordinance, and so the atrocious law* LICENSING MISCEGENATION *stands as the work* of the "Convention!"

HON. THOS. S. ASHE.

There is no man in the State of North Carolina more generally and more justly esteemed, wherever he is known, than the nominee of the Conservative party for the office of Governor. As a private citizen, his character, as a high-toned Christian gentleman, is above the shafts of calumny; as a public man, he has adorned whatever position he has been called upon to fill; and as a lawyer and a scholar, his attainments are of the most superior order. A fine speaker, and a gentleman of commanding person, he will make a fine impression wherever he may go, and his very presence will excite the pride and the ardor of the true white men of North Carolina. We hope to be able to announce, in the course of two or three days, that he has, with his wonted unselfishness and patriotism, consented to make the sacrifice which a candidacy will involve, and that he is to lead the Conservative hosts to victory.

HAVE AN EYE TO THE BORDER.

We beg our friends, residing in the boder counties of South Carolina, Virginia and Tennessee, to adopt the utmost vigilance, to prevent the introduction of spurious voters from those States, on the eve of our election. If the matter is not looked after, many mean whites and negroes might be brought out from those States to register and vote at the elections. The Radicals have money to do it, and no one doubts their disposition. Let us have a fair election, if possible. Let no improper person register. Watch the registration in all the counties and see that no illegal registering is done. The Rads in North Carolina *will need help* and they will get it, if not watched and exposed.

A SCURVY PROCEEDING.—The *Register*, (Republican) of this City, alluding to the profligate and unnecessary creation, by the nigger-scalawag Convention, of a Code Commission, with extravagant pay, for the benefit of certain hungry pets, very justly denounces it as a "scurvy" trick, and says:

"Its authors dare not submit it to the people for ratification, but it will nevertheless be one of the issues before them in the election of members to the legislature.—Those who voted for this extravagant swindle will have a fearful account to render to their constituents when they come before them. It was bad enough to confer the job on members of the Convention; but the ignominy of the transaction is aggravated by the fact that one of them is a candidate for Supreme Court Judge, and another not a member of the Bar.

It is a matter of regret that this act of the Convention will add to the unpopularity of the Constitution with a large class of the people, and endanger, still further, its ratification."

HOW IT WORKS.—We are informed that, in one of our Counties, a short time since, a debased white widow woman, with two or three children by her former husband, shamelessly married a negro man. The white children had some little property, inherited from their father, and at the last County Court in that county, the negro husband applied to be made the guardian of those children, which the Court very properly refused.

A YOUNG MEN'S CONSERVATIVE CLUB has been formed in Newbern.

CONSERVATIVE MEETINGS.

EDGECOMBE.—We have heretofore noticed the large and enthusiastic meeting in this county, on the 10th inst. Kenneth Pidgeon, Esq., presided and Capt. Biggs was Secretary. The meeting was ably addressed by Hon. Sion H. Rogers, Judges Howard and Biggs, and W. A. Jenkins, Esq.

GREENE.—We deem it unnecessary to publish, at this late date, the proceedings of the meeting in this County, on the 11th. ult., which have just come to hand. R. C. D. Beaman, Esq., presided and D. W. Edwards was Secretary. Excellent resolutions were adopted, delegates to the Congressional District Convention were appointed, and the meeting was happily addressed by Gen. V. Stroog and C. S. Wooten, Esqs.

ANSON.—On Tuesday last, a very large meeting of the Conservatives of this county was held at Wadesboro. W. P. Kendall, Esq., presided, and E. R. Liles, Esq., acted as Secretary. The county organization was perfected and the following Legislative and county candidates nominated, viz.:

Senate—A. Niven.

House.—Wm. E. Smith, A. J. Dargan.

Sheriff.—G. B. Threadgill.

Clerk of Superior Court.—R. T. Hall.

Clerk of County Court.—P. J. Coppedge.

Register.—H. C. Beeman.

Delegates were appointed to the Congressional and Judicial District Conventions. Col. B. F. Little, of Richmond, was recommended as the choice of the meeting for Congress, and Col. R. T. Bennett, of Anson, for Solicitor.

The meeting was harmonious and enthusiastic.

SOME OF THE RADICAL leaders have asserted that there are at least 30,000 (!) men in North Carolina, who deserted from the Confederate service, and they have boasted that nearly all these would naturally go to swell the number of negroes and scalawags in the approaching election. There is certainly *now no reason* why a majority of these, by a compelled association with such undesirable companions, should "sound this very base string of humility."

The feeling against them is not now a harsh one. We have learned better the almost intolerable privations of the camp, its sickness, its rags, and starvation, and the despair of final success, which broke down their spirits and drove them in great numbers back to their homes. Homes!—We cannot forget the horrible pictures of these homes that were sent to them while in the army. They were told, by the *Standard*, of sorrows among the dear ones that used to assemble so joyously around the old hearth-stones, harrowing enough to draw away the best men from their duty as soldiers; and the worst of it is, that these stories were unfortunately too true. There was overwhelming want and woe among those dearest on earth to the poor fellows who had left them to the care of their country. When they were told the story, day after day, and had the best of reasons for believing it true, their return, though wrong it may be, does not deserve, and will never receive from good men, the execration and scorn so justly due to those whose desertion is prompted by cowardice.

There are many of the alleged 30,000—perhaps a majority—that may rightfully claim this extenuation of what would have been otherwise a degrading crime. Let *them* take courage, hold up their heads, and, by a life of honor, prove themselves men. *They* are not doomed, as the Radicals would fain believe, to the vile degradation of being compelled to consort with negroes and a much meaner race of men wearing white skins, for the rest of their lives. They stand where they stood before. It is only those poor wretches who deserted from cowardice, who should find this association congenial. Let them go where they belong,

> And, having taken the Doctor's pill,
> Now let them swallow, too, his bill.

The Conservatives are by no means ambitious of the aid of those shaky kneed, cowardly loons, but for the great numbers who left the army without leave, with breaking hearts, in answer to the wailing cries that were wafted to them on every breeze, from their once happy homes, we feel, and have always felt, sympathy and allowance. We are not called on to give their course an approval. But we cannot forget that they had been vehemently urged to "die in the last ditch," and to sacrifice "their last dollar," and all that—which, *experimentally*, is hard to do. The poor fellow, who might have sacrificed himself heroically, but, in his agony, could not consent to submit to starvation his "last best friend" at home, without rushing to her relief, ought not to be, and will not be, very harshly judged by good Conservative, Christian men. Hard men, such as—political and unchanded the following extract from the *Standard* of July 17, 1861—having no bowels,—may consistently enough be unforgiving, and refuse *their* pardon:

"Call them out, we say, all of them who ought to be ready. Drill them until their legs get limber! Stir them up! Blow the fife! Beat the drum! Do something to arouse their latent courage, if they have any. Many of our brave boys are in the fight. Coax and urge, and drive all out who ought to go!"

W. M. ROBBINS, Esq.—By direction of the State Executive Committee, we add, to-day, the name of this gentleman to the list of Canvassers for the State at large. We hope that Mr. R. will find it convenient to make, at once, an extensive list of appointments, and address the people at various points.—His speech before the enthusiastic meeting of the White Men's Club, in this City, on Saturday night last, is the theme of universal admiration among all who were so fortunate as to be present. For humor, satire, originality and boldness of denunciation, we have not heard a better speech for years. If it could be made in every county in the State, the effect would be most marked.—Mr. Robbins is emphatically one of the rising men of North Carolina.

G. B. ROOT, Esq., of this City, has been appointed Treasurer of the State Executive Committee.

THE APPROACHING ELECTION.

It will be seen, from the Convention proceedings our Saturday night last, that a telegram was received from Mr. Sweet, a member of the Convention, who had been sent to confer with Gen. Canby, that the election in South Carolina has been ordered to take place on the 14th. 15th. and 16th. of April, and that Gen. Canby advises that the election in this State should be held a week or fortnight later.

Gen. Canby, it is said, will also order that there shall be but *one* for and *one ballot* for the Constitution! We hope that this is a mistake.

We beg Gen. Canby to issue a plain, concise order, that can be understood by the most ignorant, and that he will, at least, order the boxes and *two* ballots,—one for the State ticket and one for the County ticket.

To print, on one ballot, the State ticket, with the words "For Convention and Ordinances," or "Against Convention and Ordinances," and then to add the names of twenty five candidates, with their full names, residence and the office, will require a pretty considerable slip of paper. At the large precincts, a box would not do; it would take a *hogshead* to hold the State ticket alone. The labor and compass of the State ticket, alone, would be immense. Besides, the inconvenience and perplexity of attaching the County ticket to that, with from five to twelve additional names, would be very great. It is perfectly plain that, by having two boxes and two ballots, great intricacy and labor would be avoided.

P. S. It will be seen that the "Convention" has ordered the election in this State on the 21st., 22nd. and 23rd. prox.

PLATO DURHAM, ESQ.—It will be seen, by that part of yesterday's proceedings, in the hybrid Convention, that the Committee, which was appointed to investigate Mr. Durham's right to a seat, reported that there was no evidence adverse to him, and asked to be discharged from its further consideration. This was well known from the beginning, and the Committee *never had a meeting* to consider the matter. The whole thing was a cowardly and infamous exhibition of party and personal spite, prompted, outside and inside of the body, by a craven fear of Mr. Durham, and a desire to put him down. The President of the Convention, in lending himself to the movement, and appointing such a Committee, under the peculiar circumstances of the case, simply disgraced himself. Mr. Durham gave the menagerie a piece of his mind, as will be observed by the report of his remarks. They were fearless and manly words.

THE X. P. G. IN LENOIR.

EXTRACT from a letter dated:

"KINSTON, N. C., Mar. 11, 1868.

Holden and his scalawag crew were here to-day. As I opened my door this morning early, I was greeted with a sight of his unseemly person, escorted from the Railroad to the house of a certain notorious man, by one white man of a dun color, and two forlorn negroes,—one with a jug of whiskey under his arm and the other with a bag of potatoes on his head. They looked somewhat after the fashion of Falstaff's regiment, when they were said to have only two whole shirts in the command.

The pow-wow was altogether a very insignificant affair,—nothing but a windy demonstration on the part of one or two hundred negroes and fifteen or twenty low whites."

Grand Conservative Mass Meeting.

GREAT ENTHUSIASM!!

PEOPLE FULLY AROUSED!!!

According to previous announcement, a meeting of the Conservatives of Cabarrus was held in the Court House, on last Saturday, 14th., irrespective of previous political creeds and opinions. When, upon motion of Col. Jno. M. Long, Dr. C. A. Alexander was appointed Chairman, and R. S. Harris, Secretary; when the following resolutions were unanimously and enthusiastically adopted:

Resolved, That we heartily approve, and cordially endorse, the "Declaration of Principles" and "Plan of Organization," as set forth by the Conservative Convention, which met in the City of Raleigh, on the 5th. February, ult., and that we will use our untiring energies and best endeavors to have them carried out.

Resolved, That we consider this a "*White Man's Government*," and as such that it should be ruled and governed by WHITE MEN, and whilst conceding every right, that the *negro* is reasonably entitled to in the protection of his life, liberty and property, yet that we totally oppose *negro suffrage*.

Resolved, That the Chairman of this meeting be requested to appoint a Committee, to consist of from three to five persons, in each Captain's District, whose duties it shall be attend to all matters of registration and organization.

Resolved, That the Chairman of this meeting also appoint twenty five or more delegates, to the District Convention, which shall be empowered to nominate a candidate for Congress.

And be it further Resolved, That in order to have a thorough organization, to act efficiently in the coming canvass, we do organize ourselves into a *Conservative Club*, and we recommend to our friends to organize similar clubs throughout the county.

During the absence of the Committee on resolutions, Gov. Z. B. Vance was introduced by the Chair, when he proceeded to go up Radicalism with *gloves off*. The speech occupied about 2½ hours. The Governor took up the Ham-Anglican Gorilla Menagerie, known as the *Konstitootional* Convention, and commented, fully and freely, upon the most important parts, warning our people of the damning disgrace arising from the adoption of this so-called Konstitootional Konstitootion; also exhorting every man to do his full duty, enroll themselves and vote for *freedom* and a *White Man's* government. He next proceeded to show the different parts and points of the Great Mogul of rascality and inconsistency, X. P. G. Holden, plotter for the heads of Presidents and Lieut. Generals of the United States, and ending with the public spirited (?) *Kaps Kod* Gorilla candidate for Superintendent of Public Instruction, vulgarly known as Rev. Ashley, the *Pilgrim*. The Governor was listened to with profound attention, by all parties; quite a number of negroes were in attendance, and many went away saying that it was good for them to be present at such a place, where they could hear the TRUTH. For further particulars of names of delegates, &c., &c., refer to *Independent Press*, Concord, N. C.

C. A. ALEXANDER, Ch'm.

R. S. HARRIS, Sec'y.

REMARKS OF DR. ELLIS, OF CATAWBA, IN "CONVENTION," ON THE ORDINANCE CONCERNING THE "INTIMIDATION OF VOTERS."

Mr. President:—As a member of the Committee on the Intimidation of Voters, and in dissenting from the report of the majority of the committee, I beg leave to offer the 22nd. and 23rd. sections, chapter 32, Revised Code of North Carolina.

I am, and have been, in favor of the law in this respect remaining as it now stands. I do not think this Convention should interfere with it at all. If any thing of the kind is necessary, let the General commanding this District issue an order for that purpose, but let us not alter the old law of North Carolina in this respect. I am satisfied that this is another party scheme to intimidate *the white men of the State* and prevent their going to the polls. Why, sir, the effect of such measures will be to prevent the white men of the country from employing negroes and those differing from them in politics. They will be afraid to have any thing to do with those who differ with them, for fear of prosecution on any pretence, under the cover of such laws as are here proposed. Self protection will compel the white people to take this course. If employees should become dissatisfied with their employers, they could leave and prosecute them on the ground that it was for having voted a different ticket.

I will say, for myself, in advance, that I should be afraid to have any thing to do with those differing from me or to have a word to say to them on politics or any other business. It will have a bad effect on the laboring community, as, under such laws, the white people of the State could only have protection in not having any thing to do with that class in this State who differ from her citizens and the State's best interests.

Now the delegate from New Hanover undertakes to say this is not a party measure. It is most clearly so, and is a part of a plan to force a class of persons in this State to vote for their party and to prevent the white people from taking any part in exposing their unprincipled schemes. Now, sir, that party, in its plan of organization, I confend, keeps an outstanding threat, a threat publicly advertised, for the purpose of driving men, who have fallen into its clutches, to vote for their partizans, whether they believe it to be right or not. They cannot withdraw by any part of the plan and they are sworn to support the nominee, right or wrong; they are REQUIRED to do so, and, sir, when they say anything against the party, they are threatened with summary punishment, and many have been most shamefully abused, personally and other wise, when they saw fit to withdraw on their own responsibility.

I say this is a despotic system of party machinery, to drive men, and they are not yet satisfied. They want to *drive the whites of this State from the polls*, and, for that purpose, put it into the hands of bad men to prosecute and divide the spoils of the best people of the country, on any pretence, under the plea that they have been intimidated from voting!

REMARKS BY MR. McDONALD, OF CHATHAM, ON THE ORDINANCE REQUIRING THE LEGISLATURE TO LEVY A TAX TO PAY THE INTEREST ON THE OLD STATE BONDS, IN CONVENTION, MARCH 14, 1868.

Mr. President:—Let us go back to the Union and there will be no trouble about the State bonds selling at par. These bonds are held by bankers and brokers in the Northern States, and, in many instances, by copperheads. There were many of them bought up as low as fifteen cents on the dollar. We are nothing but a territory; therefore, I am opposed to transferring any of the debts incurred by the old to the new State.

What, Mr. President, does a capitalist care for the debt of a State? All that he desires to know is that a State or Government is stable. Then he will have no fear about investing in railroad or other bonds. I did not come here to legislate for the benefit of bond holders or Wall Street brokers, to the detriment of the already impoverished people of our own community. I do not say that any delegate here is representing such a party. I merely wish it to be distinctly understood that I am not.

Now, Mr. President, let all who have control of, and are interested in railroad or other Internal Improvements, vote at the coming election for ratification, and all will be right. Then capitalists will eagerly invest in the bonds of North Carolina at par. Sir, I opposed the sixth section of the Bill of Rights, that has assumed the old State debt. It was argued then that we would not, in all probability, be called upon to pay the interest or principal of this debt in twenty or thirty years. Now, sir, in less than twenty days, we are called upon to require the Legislature to impose a direct tax on the working people and upon those who have but lately emerged from a state of servitude, and on which as property a greater portion of this debt was predicated.

The interest on this debt will amount annually to one million of dollars. Can we meet it? I say that, in our impoverished and depressed condition, we cannot, and pay the current expenses of the State government.

Mr. President, the heaviest tax that was ever levied one year previous to the war, when we were in a happy and prosperous condition, was $640,000. Is it not plain to every delegate on this floor, that it will be impossible to meet this immense annual demand upon our crippled resources? Now, Mr. President, I cast my vote against this monstrous proposition, believing that, in so doing, I am acting in full accord with a large majority of the people of the State of North Carolina.

[We publish the foregoing, at the urgent request of Mr. McDonald. Of course, we entirely dissent from all that he says as to the results of a ratification of the Mongrel Constitution, and from much else in his remarks. But we are willing to let *Mac* have his say. He is a native and a far less malevolent man than Dewecse, as his record shows. But we don't think either of them will get to Congress.]

FRANKLIN.—The negroes of this County have nominated R. I. Wynne, for the Senate, (alas! poor Richard,) and Jas. F. Harris and Jno. H. Williamson, (negro,) for the Commons. Harris, we remember, came to our office, prior to the meeting of the "Convention," protested against our classification of him, in the list of delegates, as a Radical, and said that his votes would show us our mistake when the time came. The time *did* come, and he swallowed the nigger without gulping or making a wry face. Let him stay where he belongs.

SHALL WHITE MEN BE ENROLLED in the MILITIA with NEGROES,—*perhaps under negro officers?* That is one of the issues.

SHALL WHITE CHILDREN BE APPRENTICED TO NEGRO MASTERS? *That is one of the issues.* The mongrel Convention refused to prohibit such a thing!

AN ORDINANCE PROVIDING FOR THE PAYMENT OF THE INTEREST ON THE PUBLIC DEBT.

SECTION 1. *Be it ordained by the people of North Carolina, in Convention assembled, and it is hereby ordained by the authority of the same*, That the first General Assembly that shall be convened under the provisions of the Constitution framed by this body, be, and the same is hereby, directed to make the following provisions for the payment of the interest upon the Public Debt:

SEC. 2. It shall provide for the payment in cash of the interest falling due on and after the first day of January, 1869, upon that portion of the Bonds of the State which are dated prior to May 20th, 1861.

SEC. 3. It shall provide for the payment in cash of the interest falling due on and after the first day of July, 1869, upon that portion of the Bonds of the State which are dated on and after January 1st, 1866.

SEC. 4. It shall provide for funding all such coupons upon the above specified classes of Bonds as are now due, or which may become due prior to the time when the payment of interest shall be resumed as above directed. And for such purpose the General Assembly shall authorize the issue of Bonds of the State, bearing six per cent interest, which shall be given at par in exchange for such coupons as are now due or may become due prior to the time when such resumption of the payment of interest shall take place.

SEC. 5. This Ordinance shall be in force and take effect from and after its passage.

Passed March 14, 1868.

THE GALLANT OLD NORTH STATE.—All honor to the Conservatives of North Carolina.

They set us an example which we must hasten to imitate. Organized, equipped and in the field, they have thrown off the torpor of despondency, the listlessness of indifference, the paralysis of dejection, and entered into the contest with a spirit which is itself a harbinger of success.

"True lightwood at heart," it is but fitting that North Carolina should be the first to rekindle the torch of civil liberty in the South. She has flamed up in the gloom of our night a pillar of fire, a beacon to guide, a light to cheer.

God bless her! From the battle of the Wilderness, where her sons made themselves a wall of defence for Virginia, through all the fierce struggles along the line where they were a "tide of fiery valor rolling on the foe," to the fortifications around Petersburg, where they withstood so long the desperate assaults of the Federal horde and shielded our hearths and homes from the footstep of the invader, she proved herself among the first in war.

We hail her rising star the first in peace, and every sentiment of honor and gratitude, every memory of the past, makes her, of all our sister States, the first in the heart of Virginia.—*Pet. Index.*

MAYOR'S COURT.—Henry Jones, colored, charged with stealing an iron spider from Diana Williams, colored, was returned to the Superior Court.

Upchurch & Dodd, charged with a violation of city ordinance, chap. 2, sec. 5, by placing or causing to be placed obstructions on the side walk on Martin Street, were fined $5.

Rochester Blount, colored, arrested for drunkenness and disorderly conduct at Ray's Hotel, was lodged in the guard house and fined $2.

CANVASSERS' NOTICE.—The Canvassers of the White Men's Party will certainly be present, to address the people, at Holly Springs, on Wednesday, the 18th, and at Franklin's, on Saturday, the 21st.

The Canvassers from Raleigh were prevented from being present at Banks', last Saturday, on account of their inability to procure any means of conveyance. This will be obviated in the future.

EXCITEMENT.—Yarborough House was the scene of considerable excitement, last evening. While the guests were at supper, Mr. Jos. W. Holden entered the room, and, soon after, walking up to the table, at which H. H. Helper, Esq. was seated, struck him a couple of blows. By the time that Mr. H. could rise from his seat, to repel the attack, the assailant was removed. A lady was sitting at the same table with Mr. Helper, when the assault was made, and other ladies were in the room,—all of whom were naturally very much alarmed by the occurrence.

TO-DAY is the day fixed for the departure of the Menagerie. We hope, to-morrow sure enough, to be able to announce that the tent is down and the animals are gone.

NORTH CAROLINA LAND AGENCY.—We desire again to call the attention of our readers to the advertisement of D. W. Courts, Esq., now of Reidsville, Rockingham Co., and formerly Public Treasurer of the State. We learn that his facilities for disposing of lands in this State have been considerably increased by his extensive correspondence at the North and in Europe.—He is co-operating with Gen. Imboden, of Virginia, who is doing much for the introduction of capital and men of enterprise in Virginia. We learn that parties, in various portions of the State, have already placed their lands for sale in the hands of Mr. Courts. We wish him much success.

HON. J. L. BAILEY.—This distinguished gentleman has written to the Secretary of the State Executive Committee, accepting the nomination for Judge of the Eleventh Judicial Circuit. His excellent letter is all that can be desired.

HON. E. J. WARREN.—It is rumored that this gentleman declines the Radical nomination for the Judgeship of the Seventh Circuit.

THANKS.—many thanks,—to our friends, D. N. Winstead, of Joyner's Depot, and A. Monroe, of Scotian, for clubs of subscribers to the Weekly and Semi-Weekly *Sentinel*.

THE racy letter of our Orange correspondent shall appear to-morrow.

The "Constitutional Convention," (So-called.)

NIGHT SESSION.

SATURDAY, March 14, P. M.

The Convention was called to order at the usual hour.

Hood, (negro,) called up his ordinance, legalizing marriages celebrated under license issued by the military.

The ordinance was read, when Hood, (negro,) explained his reasons for offering it and moved to suspend the rules. Carried.

Mr. Ellis moved to amend, by saying "EXCEPT BETWEEN BLACKS AND WHITES, which shall NOT be valid."

Mr. Merrill called for the yeas and nays. *They were refused*, AND THE AMENDMENT WAS VOTED DOWN!

The ordinance was put to a vote and adopted.

Mr. Dowd introduced a resolution, instructing the Legislature to provide for a new assessment of the lands of the State.—Referred to the Committee of 17.

Harris, of Wake, (negro,) moved to take up the ordinance, reported by the Committee on Divorce, granting a divorce to Palmer Babcock, from his wife, Lucina Babcock. The ordinance was read and adopted.

Cherry, (negro,) offered a petition for the divorce of Sarah Ritchell from her husband, John Mitchell. Referred.

The following telegram from Mr. Sweet, at Charleston, who was appointed to wait on Gen. Canby, and consult him on the manner, &c., of holding the elections, was read:

"CHARLESTON, March 14, 1868.

Hon. C. J. Cowles: "One ballot box and one ballot for Constitution, ordinances and officers. All returns to be made to Gen. Canby direct. If the Convention desire votes for local officers to be canvassed by Commissioners of their appointment, with office at Raleigh, there will be no objection. This involves more than one ballot box, which Gen. Canby thinks will be an unnecessary complication of the matter. Liquor order will be published as prior to the November elections. The election in South Carolina has been ordered for the 14th, 15th, and 16th of April, and the General thinks it desirable, in order to have sufficient time for preparation, that the election in North Carolina should be held a week or fortnight later. This dispatch embodies the result of my interview with Gen. Canby, and is approved by him.

W. H. S. SWEET."

A great many other ordinances, reported by the Committee on Divorce, were read. The majority of them were unfavorably reported upon. Some few of them, however, were granted.

Mr. Abbott called up the ordinance authorizing the Western North Carolina Railroad Company to increase its capital stock and for other purposes.

He offered a substitute for the above, an ordinance, entitled an ordinance for the completion of the Western North Carolina Railroad.

The substitute was read, when Mr. Abbott moved its adoption and called for the yeas and nays. The roll being called, resulted in its passage by a vote of yeas 63, nays 6.

Mr. Heaton, from the Committee of 16, to whom was referred an ordinance amending the charter of the city of Wilmington, submitted a report recommending the passage of the ordinance.

The ordinance was read, and, on motion, the rules were suspended, and the ordinance passed,—yeas 56, nays 9.

The House, soon thereafter, adjourned until Monday morning, 10 o'clock.

MORNING SESSION.

SUNDAY, March 16, 1868.

Convention called to order at the usual hour.

Prayer by the Rev. Mr. Hudson, of the City.

The petition, from 1,200 citizens, asking the formation of a new County, out of the Counties of Rowan, Iredell, Cabarrus and Davie, was reported upon adversely.

The Article upon amendments to the Constitution was taken up and put on its final passage.

The yeas and nays being called, the article was adopted, by a vote of yeas 85, nays 10. (Party vote.)

An ordinance in relation to the Cape Fear and Deep River Navigation Company was read and adopted.

An ordinance raising a Committee to consist of E. W. Jones, C. C. Pool, and G. Cherry, (negro,) to examine into the affairs of the Chesapeake and Albemarle Canal,—the said Committee to be paid $6 per day, and their travelling and all incidental expenses while engaged in the work, and to report to the next Legislature or Convention, was considered. After some debate, it was determined to drop the matter until this evening.

Mr. Nicholson, from the Committee on Revision, reported the following substitute for section 22 of the Article on Suffrage:

"It shall be the duty of the General Assembly to provide, from time to time, for the registration of all electors, and no person shall be allowed to vote without registration, or to register, without first taking an oath or affirmation to support and maintain the Constitution and laws of the United States and the Constitution and laws of North Carolina, not inconsistent therewith."

Also this substitute for section 5 of the same article:

"The following classes shall be disqualified from office: First, All persons who shall deny the being of Almighty God; 2d, All persons who shall have been convicted of treason, perjury or of any infamous crime, since becoming citizens of the United States, or of corruption or malpractice in office, unless such persons shall have been legally restored to the rights of citizenship."

Mr. Durham said persons of color had become citizens since the passage of the Civil Rights Bill, and, of course, every negro, who had been convicted of an infamous crime before the war, during the war and even since the war, would not be disfranchised; but a white man, here at home, would be deprived of his rights to vote if he had been convicted of a crime. A *negro*, no matter what may have been the nature of his crime, committed within the last three, four or six years, would not be interfered with, but a *white man* would be.

Mr. Durham then moved to strike out the words "since becoming a citizen of the United States,"—giving the above reasons for wishing to so amend. The question recurred upon Mr. Durham's amendment.—Mr. D. asked for the yeas and nays, but *they were refused*, and the amendment was voted down.

The article, as amended, was put on its passage and adopted by a strict party vote of yeas 79, nays 12.

Mr. French, of Chowan, introduced an ordinance chartering the Albemarle Railroad Company.

Mr. French moved to suspend the rules and put the ordinance on its passage, and explained the provisions of the ordinance at some length.

Mr. Moore opposed the passage of the ordinance. He said that the State had already been run in debt beyond her ability to pay for 40 years to come.

Mr. Pool said that he had opposed all Railroad schemes presented here and would vote against this one, though he thought it had greater claims upon the consideration of the Convention than any yet presented.

The question recurred upon the motion to suspend the rules, and the motion was lost, a sufficient number not voting.

Hayes, (negro,) of Halifax, offered the following resolution:

"That it is the sense of this Convention that intermarriages and illegal intercourse between the races should be discontinued, and the interest and happiness of the two races would be best promoted by the establishment of separate schools."

The rules were suspended and the resolution was adopted, *after a refusal to have the yeas and nays.*

Mr. Candler now moved to re-consider the vote taken last night upon Mr. Ellis' amendment to Hood's ordinance, LEGALIZING all marriages celebrated under license issued by the military.

Hood (negro) moved to lay the motion to reconsider on the table.

The yeas and nays were called for and had, and resulted in the following ballot:

YEAS.—Messrs. Andrews, Renbow, Blume, Bryan, Carey, (negro,) Carter, Cherry, (negro,) Colgrove, Congleton, Cox, Dickey, Eppes, (negro,) Fisher, Forkner, Franklin, French, of Rockingham, Gahagan, Galloway, (negro,) Gunter, Harris, of Wake, (negro,) Hayes, of Halifax, (negro,) Highsmith, (negro,) Hood, (negro,) Hyman, (negro,) Kinney, Laflin, Marshall, McDonald, of Moore, Morton, Murphy, Nance, Pierson, (negro,) Pool, Ray, Renfrow, Smith, Stilly, Stilwell, Sweet and Tucker.

NAYS.—Messrs. Aydlett, Baker, Bradley, Candler, Daniel, Duckworth, Durham, Etheridge, George, Glover, Graham, of Orange, Hare, Hoffler, Hollowell, Holt, Jones, of Caldwell, Lemon, McCubbins, Merritt, Patrick, Parks, Read, Rose, Sanderlin, Turner and Williams, of Wake.

Harris, of Wake, (negro,) from the Committee appointed to investigate the alleged frauds in the election of Plato Durham, Esq., reported *that they had failed to collect sufficient evidence* to inculpate Mr. Durham, and asked to be discharged from further consideration of the matter.

Mr. Durham then arose and said:

I have to say, sir, in reference to this report, that, from the beginning, the whole matter has been a most fraudulent and cowardly attempt to cast reproach upon my character and to prevent an investigation of the alleged fraud in passing certain ordinances which have passed this Convention. Fearing an investigation of the charges contained in the resolutions introduced by myself to investigate these corruptions, these charges of fraud in my election were trumped up by parties inside and outside of this Convention, to intimidate and drive me from that investigation. And, sir, I must be allowed here to say that, in the appointment of the delegates to serve with me, on that Committee of investigation, it was the *intention* of the President to *prevent a full and fair investigation*, or it was intended as an *insult* to myself. If the latter, I can only say that I cannot be insulted in any such manner. The relations between one of the members of the Committee (Ashley) and myself were known by the President to be very unpleasant, and he also *knew* that I had refused, from the commencement of the session, to recognize the delegate from Wake, the other member of the Committee. And yet *these* are the delegates that the President appointed to serve with me upon that Committee.

The appointment was intended to prevent investigation and to insult me. But, as stated before, I was not insulted, nor can I be *from any such source*. It was my intention, at first, to refuse to meet these delegates. Soon afterwards, threats of violence were indicated, if the investigation shall be proceeded with. Then convened the Committee, merely because these cowardly threats were made.

The resolutions, in reference to my election, introduced by the *black scoundrel* from Wake, were conceived in iniquity and fraud,—not by him alone, but by certain parties *outside of this Convention*, who, when they could not combat the arguments of honorable men, resorted to this dastardly and lying manner to cast reproach upon my private character. And when the delegate from Pasquotank (C. C. Pool) signed the report, without any evidence or even a meeting of the Committee, he acted almost unbecomingly, to say the least of it.

Briefly, in conclusion, I say, as I am not allowed to proceed, without interruption, that the remarks I have made are only intended to expose the infamous fraud and damnable rascality, which prompted those who originated this base attempt to heap odium on my character. Not that I regard your action, whatever it may be; for, sir, if the Committee had reported that the allegations were true, I should have considered it a distinguished honor,—coming, I say, *from such a source*.

Mr. Graham, of Orange, said that he was surprised at such a disrespectful report, reflecting upon the character of an honorable gentleman, (Mr. Durham.) He hoped that the majority of the Republican party on this floor would be careful enough of their characters, as *gentlemen*, not to entertain this report for a moment, but send it back to the Committee from which it came, and if they should report at all, compel them to present a decent and respectable one.—He (Mr. Graham) had always yielded due courtesy to the opposite side, and he would demand and insist on proper courtesy being paid to the Conservative gentlemen.

After a long discussion, the report was re-committed to the Committee, with instructions to collect all the evidence in the matter and present it with their report.

Mr. Cowles vacated the Chair, took the floor and entered into a long vindication of himself from charges of partiality brought by Mr. Durham.

Mr. Durham arose and repeated, in substance, those charges, and said that while he deprecated the necessity of his having been driven to use strong language, yet he had nothing now to apologize for—*gross injustice and clownish discourtesy* had characterized almost the whole of the proceedings of this Convention.

The divorce case of Edward Shroyer was taken up.

On motion, the rules were suspended to put the ordinance granting the divorce on its passage. The yeas and nays were ordered, and the vote stood yeas 31, nays 26—not a quorum voting.

Pending further action in the matter, Mr. Heaton offered an ordinance, providing for an election on the ratification or rejection of the Constitution, State officers, Congressmen, &c., fixing the days of said election on the 21st, 22d and 23d of April next. The rules were suspended to put the ordinance on its passage, the yeas and nays were called and resulted in the passage of the ordinance, by a party vote of yeas 69, nays 5.

On motion, the House adjourned until 7½ o'clock, this evening.

Shall MARRIAGE BETWEEN NEGROES and WHITES—*amalgamation*,—be allowed? That is one of the issues.

SHALL NEGRO GUARDIANS BE APPOINTED FOR WHITE WARDS? *That is one of the issues.* The so-called Convention voted down a prohibition of this possible outrage!

SHALL WHITE CHILDREN BE COMPELLED to go to the same schools with NEGROES? That is one of the issues.

CONGRESS.

WASHINGTON, March 16, P. M.

HOUSE.—A bill was introduced repealing the provision of the Judiciary Act, forbidding appointments until the number of Judges of the Supreme Court is reduced to six.

A preamble and sixteen resolutions—a kind of declaration of principles—was introduced by Ross of Illinois, who moved the previous question, which was not seconded. Then, for the purpose of getting a direct vote, he moved to table and it was defeated, yeas 9 nays 146. Then referred to the Judiciary Committee.

The bill removing certain disabilities from political disabilities was resumed. Several names were added, including that of Hon. Jno. A. Gilmer as a reward for having opposed the Exemption ordinance. It transpired, during the debate, that the bill don't remove the disabilities imposed by the 14th article.

Beck made a point that, under the Garland case, the Supreme Court decided that General Amnesty did away with relief proposed by this bill.

Bingham said, the Supreme Court could only decide cases which came before it, but could make no decision which would operate on the House or Senate.

Opposition arose from unexpected quarters, and, without action, the House adjourned.

SENATE.—The Grant in Connecticut reduced one of one hundred thousand dollars.

The South Carolina Convention makes a repeal of the duty on rice.

Steps in progress want amendments to Liberia.

The Committee of Commerce reported an amendment to the House Tax Bill, retaining on Turpentine, Sugar Refineries, Candles and Confectioneries. Adjourned.

Every Conservative is constituted an Agent to send us clubs.

THEN.

"WHO WILL PLOT FOR THE HEADS OF ABE LINCOLN AND GEN. SCOTT?"—*W. W. Holden, June 5th, 1861.*

NOW.

"Our beloved State will once more put on the garments of prosperity; and our people will be contented and happy through the long ages reserved for the existence of the government which Washington established, and which LINCOLN labored and died to preserve!

Fraternally yours,
W. W. HOLDEN, President.
JAS. H. HARRIS, 1st Vice Pres.
A. H. JONES, 2nd Vice Pres.
B. W. HORNER, Sec'y."

(Closing sentence of the address to the U. L. A. in N. B. January, 31, 1868.)

DOWN WITH THE CONSTITUTION—That is the watch-word of the white men of North Carolina.

DOWN WITH THE MONGREL CONSTITUTION! *That is the slogan.*

GEN. HANCOCK.—It is understood that the President will accede to the request of Gen. Hancock, who has asked to be relieved of the command of the Fifth Military District, and that "our second Washington" is expected to arrive in this city early next week to assume command of the new military division of the Atlantic.—*Forney.*

Judge Chase styles himself in the summons Chief Justice of the United States, and not Chief Justice of the Supreme Court of the United States, which annoys some of the impeachers. They declare that he has no judicial position in the coming trial, and it is evident that he will perform what he believes to be his duty as presiding Judge.

Soliloquy of the Crippled Soldier.—Where shall I go? To the poor-house or to the cemetery?

Soliloquy of the Bondholder.—Where shall I spend the season? In Europe or at Saratoga?

A PLAN OF ORGANIZATION.

STATE ORGANIZATION.

A State Committee, to consist of a Chairman and thirty members,—six of whom shall reside in Raleigh, and three in each judicial district—to be appointed by the State Convention.

The Committee shall have power to maintain its organization, by filling vacancies, &c., and shall take charge of all matters relating to organization, registration, &c., and a proper canvass of the State.

DISTRICT ORGANIZATION.

The members of the State Committee in each judicial district shall constitute a district Committee for their respective districts and shall appoint a Chairman, and shall take charge of all matters relating to county organization, &c., in their respective districts; and shall report all matters relating thereto, to the Chairman of the State Committee.

COUNTY ORGANIZATION.

It is recommended that each County, by popular meetings or through the medium of existing organizations, appoint a County Committee, to consist of at least two persons from each Captain's District within its limits.

The County Committee shall take charge of all matters of registration, local organization, &c., within the County, and is requested to make monthly reports to the Chairman of the District Committee, and, when necessary, to inform him of such local matters as may require the attention of the District Committee.

It is further recommended that each County Committee cause to be enrolled the names of all the registered voters of their county, who are willing to act and vote with this organization—no man to be thus enrolled without his express consent; and, also, that they cause to be enrolled on a separate list the names of all those who are entitled to register, but who have not done so, and that they use every exertion to secure their registration and active co-operation.

Resolved, That the President of the Convention appoint five or more persons, in each County, to make a thorough canvass of the same, and disseminate proper political information.

DECLARATION OF PRINCIPLES.

The Conservative people of North Carolina having, by their delegates, assembled in Convention at Raleigh, on the 5th of February, 1868, to consider the present anomalous condition of the State, and of the country, and to consult together upon the grievances which now afflict and threaten them, and the course of action proper to be adopted in the trying circumstances which surround them, do resolve and declare

1. Our unalterable devotion to the principles of Constitutional liberty and our fealty to the government of the United States, as set forth in the Federal Constitution. That we sincerely and in good faith accept the legitimate and legal results of the late war, and do hereby reiterate our oft repeated declaration, that we most heartily desire peace and concord with our sister States and with the entire people of the United States.

2. *Resolved*, That regarding the Constitution of the United States as the source of all power in the administration of the government, and that the powers of the Executive, Legislative and Judicial departments are equal and co ordinate, as defined by that instrument, we do respectfully and solemnly protest against the enforcement upon our people of the Reconstruction Acts and policy of Congress, as unconstitutional, unwise and destructive to society, and violative of that great principle of American politics, that each State shall have the exclusive control of its own internal affairs.

3. *Resolved*, That it is the opinion of this Convention, that the great and all absorbing issue, now soon to be presented to the people of the State, is negro suffrage and negro equality, if not supremacy, and whether hereafter in North Carolina and the South, the white man is to be placed politically, and, as a consequence, socially, upon a footing of equality with the negro, and, in many localities, subject to his government as a superior. That we are utterly opposed to such change in our government and in our social relations, and that we do hereby earnestly recommend to the people of the State to manfully meet the issue now attempted to be forced upon them, and to use every proper means within their power to avert the impending mischief.

4. *Resolved*, That while we are unalterably opposed to political and social equality with the black race, we yet have no unjust prejudices against that race; that we are determined, by just laws, to protect them fully in all their civil rights, and to confer upon them all privileges which can be done consistently with the safety and welfare of both races.

5. *Resolved*, That the distressed and impoverished condition of our people carnestly demands the speediest and wisest measures of relief that the Legislature can devise.

6. *Resolved*, That this Convention recognizes, with feelings of gratitude, the heroic and patriotic efforts of the President of the United States, to restore the Union and harmony and good will among the American people.

7. *Resolved*, That this Convention regards the Supreme Court of the United States as the legitimate expounder, in the last resort, of the Constitution—and believe that its rights and powers, in that respect, should be preserved intact, as established by law in the earlier and better days of the Republic, and that any serious impairment thereof, by legislation or otherwise, will be destructive to the best interests of the country, and dangerous to the liberties of the people.

8. *Resolved*, That despairing of any restoration of the Southern States under the conduct of that organization which now controls the proceedings of Congress, waiving all former party feeling and prejudice, this Convention does most unhesitatingly recommend and invite the hearty co-operation of all the good people of North Carolina with the Democrats and Conservative men of the North and West, who are now nobly struggling for the maintenance of the Constitution of the United States and the restoration of the Southern States to their rights in the Union on the solid foundation of harmony and peace.

9. *Resolved*, That this Convention elect four delegates and four alternates, for the State at large, to represent the Conservative people of North Carolina in the next Democratic National Convention, and that it recommend to the Conservative people of the several Congressional Districts, to appoint delegates at an early day to represent them in said Convention.

10. *Resolved*, That when an election shall be ordered for the ratification of a new State Constitution, the Executive Committee for the State, which has been appointed by this Convention, be instructed, if the time shall be sufficient, to call a Convention of the Conservative people of the State, to put in nomination candidates for the various State offices whose election shall then be ordered; and if there shall not be sufficient time to call said Convention, to put in nomination sound Conservative men for said offices.

NEW ARRANGEMENT
FOR THE
SENTINEL.

Published in the City of Raleigh, N. C.,
Daily, Semi Weekly and Weekly.

William E. Pell, } Editors.
Sexton Gales, }

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times

A strict observance of the Constitution of the United States and the harmonious Union of equal States;
Obedience to law and the enforcement of order;
The supremacy of the civil over the military, in time of peace;
The equality of the three co ordinate branches of the government;
The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;
The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;
Opposition to Radicalism in all its phases.
As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.
Its LITERARY character shall be maintained and improved, by contributions from our best writers.
Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.

Terms:

Daily Sentinel, for one year		$8 00
" "	six months	4 00
" "	three months	2 00
Semi-Weekly Sentinel, for one year		4 00

" "	three months	1 00
Weekly "	for one year	2 00
" "	six months	1 00

All subscriptions strictly cash in advance.

As an advertising medium, the SENTINEL is equal to any in the State. Terms moderate.

☞ We ask every Conservative in the State to become our Agent to extend the circulation of the SENTINEL. The events of 1868 will be exciting and important. The WEEKLY SENTINEL should be in the hands of the great body of the people. The terms are now so low that every one will be able to pay for it.
